

Engine 56-600

Optimyst®

A quality fireplace for in a wall or frame, exactly where you want it and finished to your personal taste? This can become a reality with a Dimplex Engine, an electric fireplace insert with the Optimyst® flame effect plus the comfort of a thermostatic heater. Ready to welcome you with a cozy atmosphere at any time thanks to the 24/7 timer. And because of its remarkably compact size, the Engine 56-600 fits in many places where other fireplaces do not fit.

USP's

- Insert fireplace with a modern and elegant appearance
- Easy-fill water tank, offers around 8-10 hours of continuous operation before refilling is required
- 24/7 timer ensures a high flexibility, each day of the week can be set individually
