Revillusion® | 230V/50Hz | 2000 Watt

Firebox 30"

Firebox 30" Concrete

Imagine your own grand fireplace with the typical advantages of electric. This can be established with a Revillusion® Firebox, Dimplex's newest milestone in modern electric flame technology. This ready-to-install solution embodies a highly realistic logset with lively glow effect, flames moving upwards from the middle, in front of a decorative back panel. A range of ambient light options with a choice of colours, plus a heater, enable you to set your fireplace to any moment, interior style or mood.

- Easy installation in the wall or in furniture
- Revillusion® flame technology provides a personally adjustable fire image with surprising depth effect
- Mirage Flame panel - partially frosted acrylic panel which works better than a mirror, showing only lifelike flames and no reflections
- Adds additional atmosphere with custom atmospheric lighting and colour enhancement
